

WESTERN AUSTRALIAN Electoral Commission

ELECTORAL ENROLMENT STATISTICS

30 June 2025

This report provides Western Australian electoral enrolment numbers for all electoral districts as at 30 June 2025.

This report includes figures that illustrate the percentage change in total enrolment for each electoral district since 13 March 2023. Enrolment figures taken at 13 March 2023 were used to calculate the revised electoral district boundaries. These came into effect at the 2025 State General Election.

The consolidation of all Legislative Council regions into a single Whole of State electorate also came into effect at the 2025 State General Election, so are no longer reported separately in this report.

Justin Harbord

* indicates Large District.

Large districts (100,000 km² or greater) qualify for a Large District Allowance (LDA) when electoral boundaries are drawn.

The LDA is calculated by multiplying the square kilometres of the district by 1.5%. The final number, calculated by adding the allowance to the number of electors in the district, must be within a range of 20% less or 10% greater than the average district enrolment.

Enrolment Variation by District (inc. LDA) as at 30 June 2025
