## **ELECTORAL ENROLMENT STATISTICS**

**30 September 2004**

This report details State electoral enrolment figures as at 30 September 2004 and shows that on that date the total State enrolment was 1,249,841.

On 4 August 2003, the Electoral Distribution Commissioners published their determination, pursuant to the *Electoral Distribution Act 1947*, of the electoral boundaries, which will apply under that legislation to the next State general election due in late 2004 or early 2005.

This publication is based on the new boundaries and contains elector statistics as at the 30 September 2004.

Included in this report are enrolment figures for each electoral district as at 11 February 2002. Enrolment figures taken at that date were used to calculate the quotients on which the distribution of electoral boundaries for the 2003 division of the State was based.
