# Legislative Assembly Informal Voting Summary

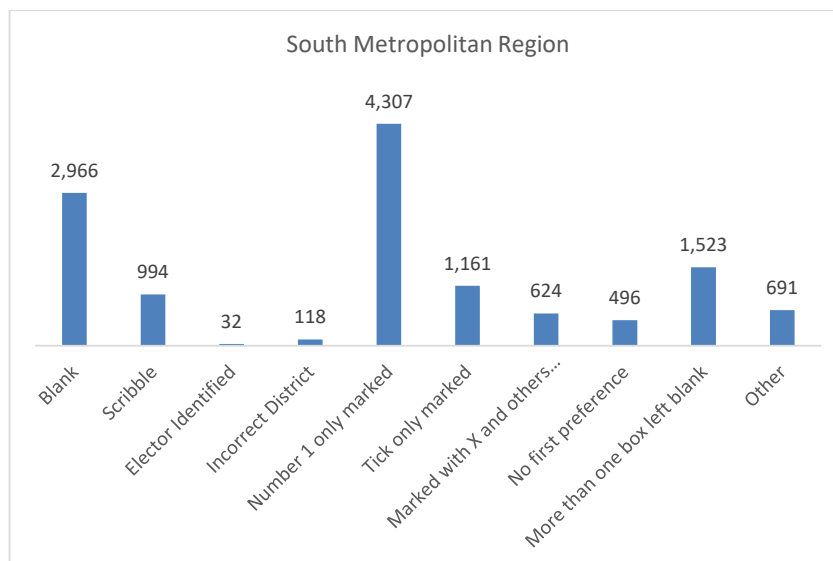

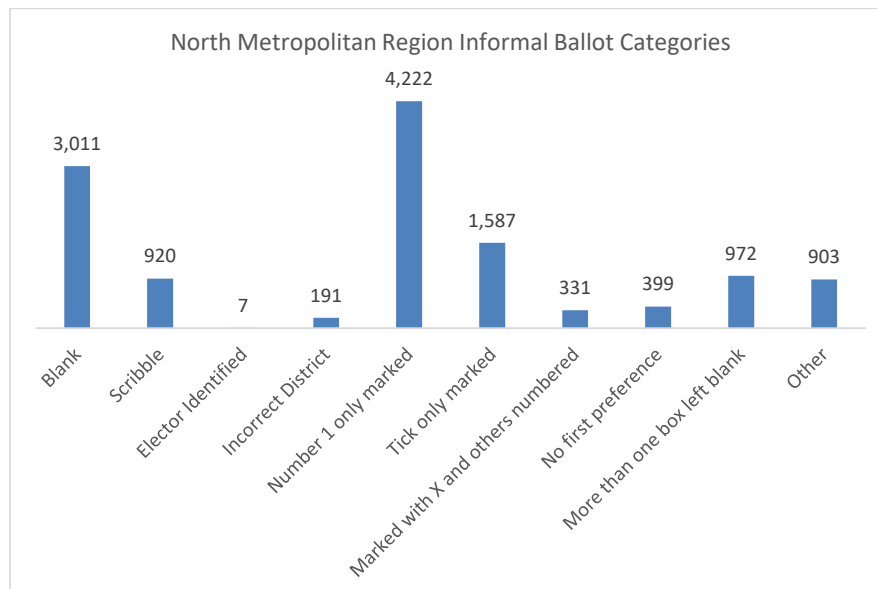

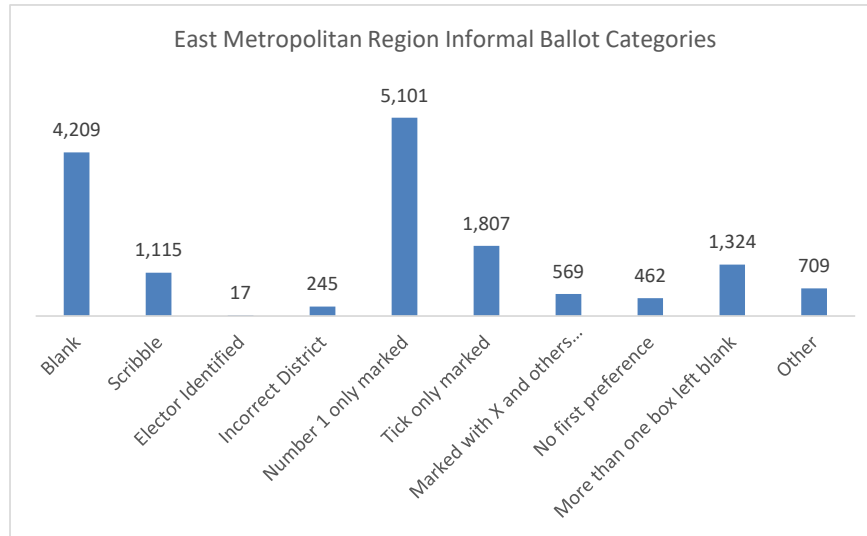

## Informal Voting

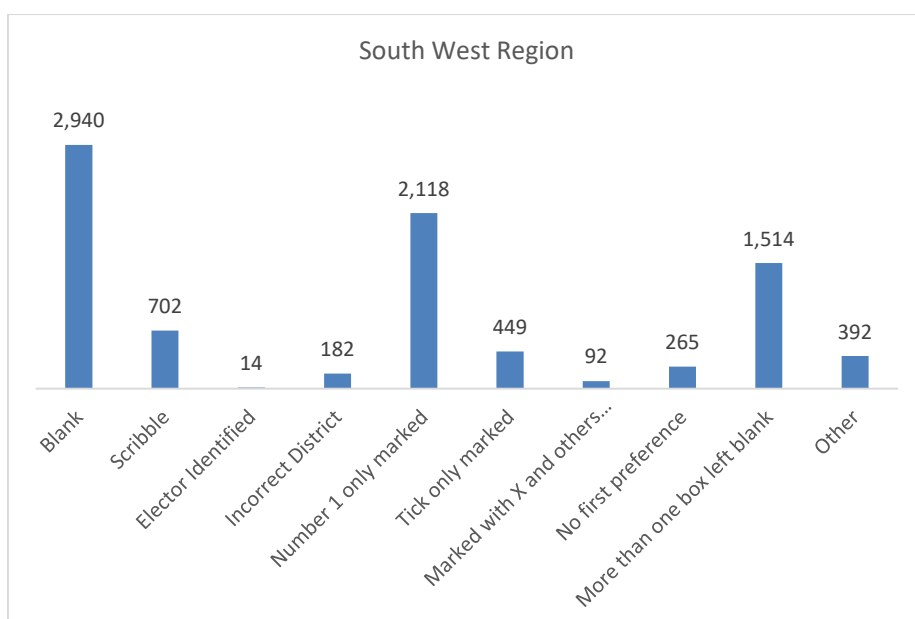

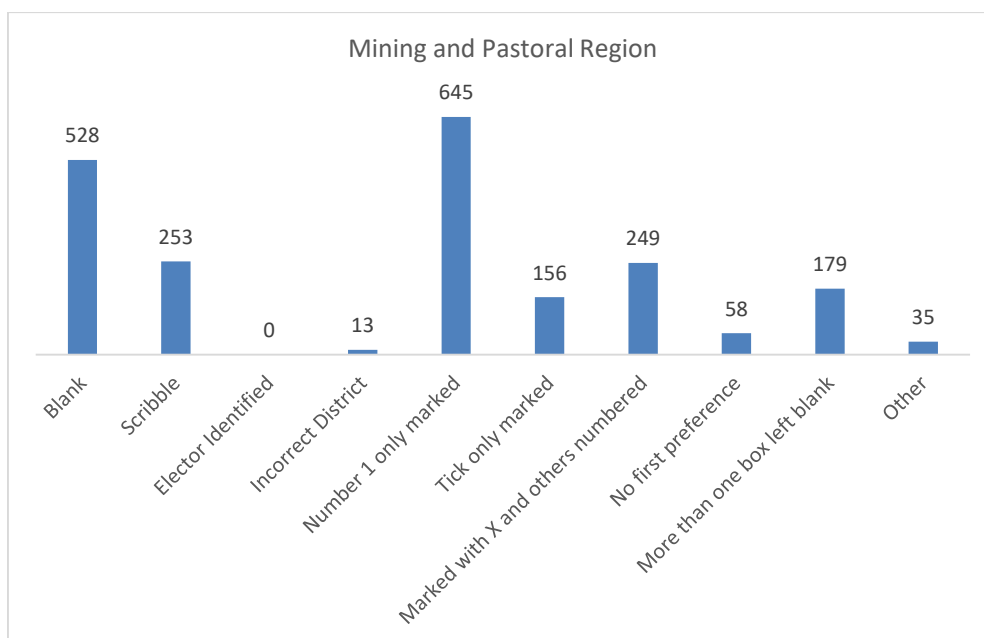

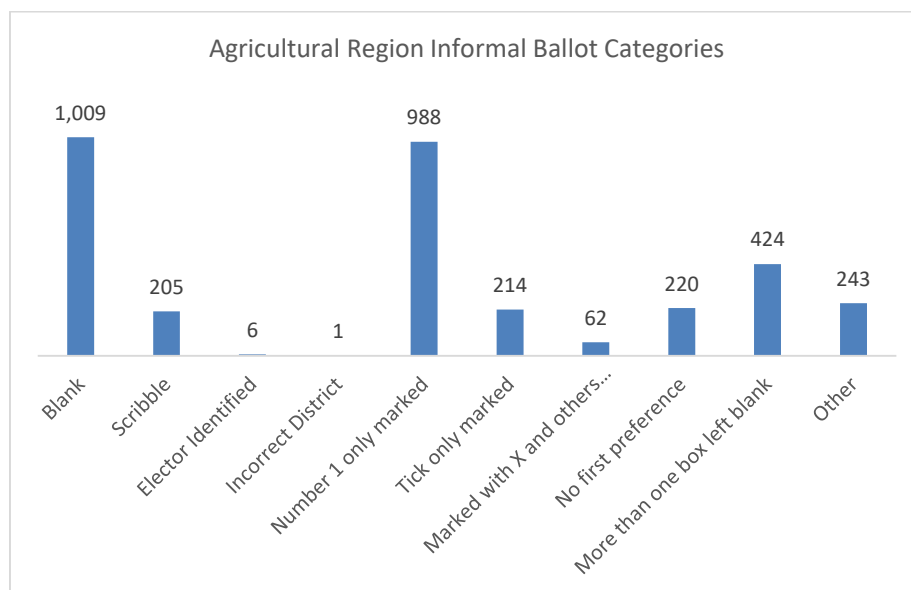

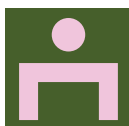

The statewide average rate of informal votes decreased to 3.76% in the Legislative Assembly at this election.

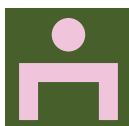

Ballot papers which are blank, do not show preferences in accordance with instructions and/or legislative requirements, or do not make the voter's intention clear are classified as informal. A ballot paper will also be informal if the voter can be identified through a marking on it. Informal ballot papers do not contribute to the election of a candidate and are not included in calculating the quota or absolute majority required for election.

Those marked with only a first preference comprised 31.51% of all informal ballot papers. A further 10.76% of ballot papers had more than one box left blank and 9.74% of ballot papers contained only a tick mark. Blank ballot papers comprised 26.58% of all informal ballot papers.
