

District Profiles and Election Results

The following section contains a district profile and election results for all 59 electoral districts.

Each profile includes the following information:

- map of district
- area
- suburbs or local governments within district (the list of suburbs is indicative only)
- number and gender of electors as at close of roll
- age break-up of electors
- number of electors per habitation
- name of Returning Officer.

The election results show the first preference votes and the two-party preferred results at polling place level as well as the distribution of preferences at district level.
