Introduction

This report has been prepared for submission to the Minister, and subsequently each House of Parliament, in accordance with section 175ZG of the *Electoral Act 1907* (the Act). The purpose of this report is to summarise the operation of Part VI of the Act during the 2023 – 2024 financial year.

In addition, eight associated entities complied with disclosure obligations by lodging an annual return. Data provided in the annual disclosure returns for the 2023 – 2024 financial year are detailed on the Commission’s website, www.elections.wa.gov.au.

Funding and disclosure activity resulting from the 2023 Rockingham By-election also concluded in the 2023 – 2024 financial year, and this report provides a summary of that activity.

^a Did not report on section 175ZE of the Act.

^b At the time of collating this data, the agency reported a figure for their total expenditure that did not equal the sum of the classes of expenditure they disclosed.

^c This figure is the sum of the total expenditure as stated by the agencies. The total expenditure declared, stated in Table 4 of the report, is the total of the figures provided for expenditure relating to advertising agencies, market research, polling, direct mail, and media advertising organisations. The difference between the two totals is because some agencies round the amount of their total expenditure.

^d Report was for the 2023 calendar year.

^e At the time of collating this data, no annual report was available for the 2023 – 2024 financial year.
