

1	<b>Recommendation</b> The WA Government consider establishing a Joint Standing Committee on Electoral Matters to inquire into and report on all matters relating to electoral laws and practices and their administration as may be referred to it by either House of the Parliament or a Minister.	
	<b>Government Response</b> <b>Supported in principle</b> The WA Government to consider opportunities to enable additional parliamentary oversight on electoral matters. The Minister for Electoral Affairs will report to the Parliament on outcomes before the end of the 2025 sitting year.	<b>WAEC response</b> <b>Noted</b> This recommendation will be a matter for Government.
