Returning Officer qualification

WESTERN AUSTRALIAN
Electoral Commission

16	**Recommendation** All ROs should be computer literate.

Government Response	WAEC response
Supported in principle Electoral Commissioner to be requested to implement this recommendation ahead of the 2029 State General Election.	**Supported** The WA Electoral Commission agrees that there is an increased reliance on computers and devices for modern electoral processes. WAEC will review selection processes for ROs ahead of the 2029 State General Election.
